The Shevchenko Foundation is a national, chartered philanthropic institution dedicated to the preservation, promotion and development of Ukrainian Canadian cultural heritage, and to the advancement of a flourishing Ukrainian community for the enrichment of Canada. The Foundation respects the past, celebrates the present and promotes the future of the Ukrainian community in Canada with inclusiveness, integrity, sustainability, spirit, excellence, creativity and innovation as its core values.

### **BACKGROUND - THE UKRAINIAN CANADIAN VETERANS FUND (UCVF)**

The Ukrainian Canadian Veterans Fund (UCVF) was established with realized assets from the sale of the Ukrainian Royal Canadian Legion Branch 360 in Toronto. For the first ten years the Shevchenko Foundation provided grants selected by a special Advisory Council. The Fund is now governed by the Shevchenko Foundation with aims and objectives that align with the original values and principles of the Fund.

### **COMMUNITY STEWARDSHIP**

The Shevchenko Foundation fulfills its mandate by disbursing grants in support of various initiatives that assist groups and individuals in the four pillars of Arts, Education, Community Development, and Heritage.

The Shevchenko Foundation's grant-giving stewardship extends priority to projects and programs that:

- Contribute to enriching the Canadian experience with the beauty, passion, and diversity of Ukrainian Canadian culture;
- Contribute to strengthening the Ukrainian community in Canada;
- Share Ukrainian Canadian cultural contributions with a broad and diverse public on a community, regional or national level;
- Exhibit financial capability to undertake and sustain the project and/or program within the boundaries of a business plan, either as an organization or an individual;
