2023

SHEVCHENKO FOUNDATION BOOK OF LEGACY

ABOUT OUR COVER

Canada has become a second home for tens of thousands of Ukrainians who have fled the war raging in their homeland.

The Shevchenko Foundation has partnered with its generous donors, and the Ukrainian community in Canada to help create a safe and welcoming environment.

The individuals
featured on our
cover are
representative

of the many Ukrainians, newcomers to Canada, who have been grateful beneficiaries of our support over the past year through their host communities and organizations.

We thank them for trusting us with their stories.
