

Celebrating 60 Years

Leadership. Stewardship. Partnership.

The Shevchenko Foundation (TSF) was founded 60 years ago by a group of community leaders and visionaries who believed in the importance of preserving and nurturing Ukrainian cultural heritage in Canada for future generations. At its core, this vision recognized the transformative potential of a permanent endowment fund, a force capable of not only strengthening community bonds but fueling the creativity that seamlessly weaves Ukrainian culture into the very fabric of our Canadian identity. Today, TSF stands as a testament to this enduring vision.

Celebrating Cultural Connections

As we embark on our next chapter, we are excited to launch a special fundraising campaign - **Celebrating Cultural Connections**. Our goal is to fund more community projects and inspire more artists to create. From grassroots initiatives to ambitious cultural endeavours, every project matters. Together, we will continue to strengthen the bonds of community that will always keep us connected.

Працюючи далі над розвитком української культури в Канаді, оголошуємо спеціальну кампанію зі збору коштів під назвою — «**Святкування культурних зв'язків**». Наша мета — фінансувати більше громадських проєктів і надихати більше мистців на творчість. Від групових ініціатив до амбітних культурних починань, кожен проєкт важливий. Разом зміцнимо єдність нашої громади і підтримуймо зв'язок між собою.

Building Community. Fueling Creativity. Inspiring Philanthropy.
