## The Need

We're very proud of the projects and initiatives we have been able to support over 60 years. They have all made their contribution to the Canadian cultural landscape. But imagine the possibilities of amplifying this contribution!

There is a keen interest among Ukrainians and non-Ukrainians alike to learn more about what it is to be Ukrainian. Together, we can:

- inspire more artists to create
- help artists flourish in the Canadian mainstream
- strengthen a community that will forever contribute to the betterment of Canada

## Why does it matter?

At the heart of TSF's mission lies the belief that every individual deserves to know and celebrate one's cultural heritage.

It is, after all, intrinsic to our identity, anchoring us to a people, and a community, while inspiring our beliefs and practices.

## Join us in preserving this legacy!

Your support will enable TSF to make strategic, relevant, and sustainable investments in high-quality projects that create and popularize Ukrainian culture. From the smallest grassroots initiatives to the most ambitious cultural projects, TSF's goal is to work towards supporting them all. Together, we can ensure that Ukrainian Canadian culture not only thrives but leaves a lasting legacy that will resonate with future generations.
